Q. Is there no government / Lotto funding available?

A. We have received approval for €59K, however the current situation we find ourselves in, limits additional funding at this time.

Q. How much are we looking for?

A. Contributions of €250 or more in each tax year, ensures significant tax benefits are available to NOF GAA Club (see Tax information sheet for more details).

Q. What will we do with the money?

A. All of the money (100%) will be lodged in a special bank account and will be used exclusively for development project.
